

CHILDREN LEARN WHAT THEY LIVE

If a child lives with criticism,

he learns to condemn.

If a child lives with hostility,

she learns to fight.

If a child lives with ridicule,

he learns to be shy.

If a child lives with encouragement,

she learns to be confident.

If a child lives with praise,

he learns to appreciate.

If a child lives with fairness,

she learns to find justice.

If **CHILDREN** live with acceptance & friendship, they **learn** to find **LOVE** in the world.

**THERE IS NO EXCUSE
FOR CHILD ABUSE!!!**
